

## 2019-2020 Room Parent Expectations

Room parents make ALL the difference in keeping Campus a wonderful school! CSPN recommends that each classroom teacher have **at least two parents sign up to share in the responsibilities of a room parent**. CSPN Point of Contact for Room Parents is Bianca Burks [Bianca.burks@gmail.com](mailto:Bianca.burks@gmail.com) (CSPN secretary).

**Communicate with your teacher (monthly)** - Ask your teacher if there is anything upcoming they need. Help the teacher when they need to rally the parents for support. Be willing to communicate with the parents as a group, and also individually.

**Organize something for the teacher's birthday** - Plan something simple to honor the teacher's special day. For example: ask someone to bring the teacher lunch, someone else could send in cookies or cupcakes for the class, send an email to the parents to ask each student to make a birthday card, etc. Be creative and have fun doing something to let your child's teacher know that they are appreciated! If your teacher has a summer birthday, plan to celebrate one day during the school year.

**Supply yearbook photos of your class to the Yearbook Chair** – This must be tracked with a class roster. You may recruit another parent to do this or do it yourself. It is always nice to have pictures from class field trips, class parties and other special days in the yearbook. Please email Kathy Romine [wingsgymnastics@comcast.net](mailto:wingsgymnastics@comcast.net) or Bridgette Flack [bflack@bellsouth.net](mailto:bflack@bellsouth.net) as you take pictures throughout the year.

**Grandparents' Day – September 13** - Host a breakfast for the grandparents in your class. Create a Sign-Up Genius for coffee, juice, donuts, a breakfast casserole, finger foods, etc. to serve in the classroom right after Family Gathering.

**Organize a class basket for Fall Fest Raffle – October 24** - During Fall Fest each class is expected to create a basket to raffle off in the popular raffle. It is set up like a Silent Auction and is a great fundraiser for the school. Be creative and have fun with your basket. Ask your teacher if they have a preference on the theme or if it is a room parent decision. Planning early is key to making this basket successful. **Baskets are due a few days before the event.**

**Plan & Organize Class Parties** - Get with the teacher to plan party dates, themes, teacher wishes for the party, menus, etc. Get the dates out as early as possible so parents can put it in their calendar. Please set up your parties via Sign Up Genius.

**Teacher Appreciation Week April 20-24** – Create a sign up genius for all the teacher appreciation week gifts and events. More information on this week will be available in the spring as the week approaches.
